

# Hile-snowflake

## - get ready for the camp

**When you have completed at least 8 of the branches you are more than ready for Hile!**

Mark the completed branches by filling the circles at the end of the branches and bring the snowflake with you to Hile – there is a chance for a reward!

Share your progress on Instagram by tagging @hile\_2022 and using hashtags #hile2022 and #hilehiutale
